THANK YOU FOR YOUR SUPPORT

The heart of Shelters of Saratoga's (SOS) efforts is to assist those who are homeless, or at risk, in the Greater Saratoga region and to transition from an uncertain situation to one of safety and self-sufficiency. Our success is only possible with the support of kindhearted community partners. We greatly value our volunteers, donors and grantors whose generous investment in our mission helps improve the lives of the men, women and youth that we serve.

In collaboration with other local agencies, your support made it possible for SOS to dedicate resources to address an unmet need for emergency sheltering this past winter. The City of Saratoga Springs, Mayor Joanne Yepsen and St. Peter's Church played an instrumental role in spearheading "Code Blue Saratoga" services, which provided emergency shelter to "street homeless" in unseasonably hazardous winter weather.

In closing, we would like to thank our recently retired Executive Director, Peter Whitten for his service in the community. As a member of the SOS staff for nearly 10 years, his passion and advocacy for those in need was apparent and we look forward to continuing his efforts. We wish him well in his retirement.

Thank you for joining us in our efforts to break the cycle of homelessness. There is still much work to be done.

Michael A. Finocchi

OUR SERVICES

In operation since 1991, SOS was formed to address a strong unmet community need in the Greater Saratoga region. SOS has evolved from the St. Clement's Church basement, to a mobile home for 8 homeless men, to its current location at 14 Walworth Street, Saratoga Springs. Because of your support, we have the capacity to temporarily house 33 adults and assist hundreds of at-risk families and youth.

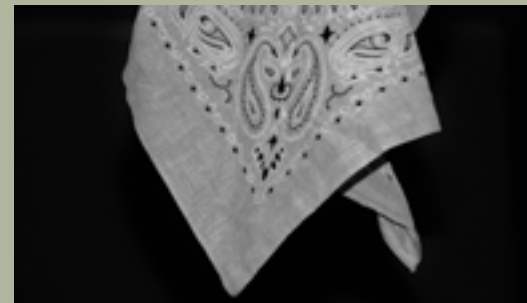

23 YEARS of making a *difference* in our community

SHELTER THE HOMELESS

29,995 nutritious meals served

SOS provides each guest with a clean and safe place to stay, hot meals, and a structured environment. Case management services and community-based networks assist guests working toward a better future.

PROTECTING OUR YOUTH

Over 1,000 face to face youth contacts

SOS reaches out to runaway, street, homeless and at-risk youths ages 13-21 through a partnership with CAPTAIN Youth and Family Services. The Youth Outreach program assists youth via street outreach, and youth specific drop-in centers.

"I HAVE HOPE FOR THE FUTURE. HOPE IS WHAT SOS IS ALL ABOUT AND I AM THANKFUL EVERY DAY THAT I WALKED ACROSS THEIR THRESHOLD AND INTO MY NEW LIFE."

- SOS BENEFICIARY

PREVENTION AS THE SOLUTION

120 care packages delivered a month

Our mobile outreach program assists hundreds of individuals who are homeless or at risk each year. Case managers and volunteers make regular contact with those who are temporarily lodged in motels to provide them with essential supplies and supportive services.

A PLACE TO CALL HOME

9 residents placed

SOS owns and manages seven (7) single and double occupancy affordable housing units in downtown Saratoga Springs. Former house guests who are no longer at-risk often become tenants as these units provide long-term housing solutions.
